Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.323.

A petition under C.F.R. 1.182 is required to correct the alleged errors in incorrect inventor's name or order of the inventor's names, since inventor's names are printed solely in accordance with the typed/printer names (not the signatures), and since unsigned declarations, non-initialed and non-dated changes are not taken into consideration.
